The Southern Shores Town Council held a Special Meeting at 6 PM Thursday October 2, 2014 at Kitty Hawk Elementary School Gymnasium, 16 South Dogwood trail, Southern Shores, NC for the purpose of holding a forum to receive public comments, ideas, and concerns on any possible solutions to increased seasonal vehicular traffic on any public street of the Town of Southern Shores. In attendance were Mayor Tom Bennett, Council Members Jodi Hess, Larry Lawhon, David Sanders, and Leo Holland. Also in attendance were Town Clerk Sheila Kane, Town Manager peter Rascoe, and town Attorney Ben Gallop. Meeting Facilitator Madeleine Henley of Walking Stick Associates was also in attendance for the purpose of facilitating the public forum session of the meeting. A large number of citizens attended the meeting.

Mayor Bennett called the meeting to order, led the Pledge of Allegiance, and a moment of silence. He then introduced the Meeting Facilitator and turned over the meeting to her. Mrs. Henley conducted a public forum on the issue for which the meeting had been specifically called. Citizen input was solicited, received, and discussed throughout the facilitated session. Suggested solutions were sought from the public. Those deemed reasonable by a consensus of the attending citizens were listed. The Facilitator concluded the session by stating she would organize the suggested citizen solutions and report back to the Town Council at a Tuesday November 18, 2018 meeting. At that meeting she plans to report on the actual solutions suggested and will give her advice to council on what it might do next to consider the suggested solutions.

No action was taken by Council.

The meeting was adjourned at 9 pm by unanimous vote of Council Members on motion from Councilman Lawhon and seconded by Council Sanders.
